America's Finest Woodworking Team - Manufacturing Facility and Offices
Lexington, Kentucky

- Design / Build Team: Coffey Construction and Million Architecture
- Owner: America's Finest Woodworking Team – Bill Katz, President
- Total Cost of Construction: \$1,247,000.00
- Phases of Construction: Three
- Location: 800 Enterprise Drive - Lexington, Kentucky

This facility was originally conceived as a three phase construction endeavor by Bill Katz, the President of AFWT. Jay Million was on the original project team when the first phase was designed and constructed in 1991. In 1995, Jay Million again participated in the design that was constructed by Coffey Construction. In 1998, the design/build team of Million Architecture and Coffey Construction was again approached to fulfill the facility construction needs of America's Finest Woodworking Team with a 12,000 square foot addition to the manufacturing floorplan.
